Definition of Vacant - refers to the circumstance where, regardless of the presence of furnishings, the occupant has moved out with no intention of returning. In the case of a newly constructed or newly acquired unit, an occupant has not yet taken up residence. Furthermore, your unit is also vacant when the occupant(s) move(s) out and before any new occupant(s) move(s) in.

Policy Warranty Clause

✦ It is warranted by you that there is no marijuana activity or illegal substance activity on the premises

The answers in all parts of this questionnaire are correct to the best of my / our knowledge and belief.

I / We understand that no coverage is provided for water damage and that it is recommended that the water, in the unit, be turned off and the lines drained.

I / We have read and understand the 'Definition of Vacant' and the 'Policy Warranty Clause'.

Signature of Registered Owner(s) _____ Dated: _____
